[\*\*Designated Agencies\*\*](#)

Agencies that are partially funded by the province, such as hospitals, children's aid societies and seniors' residences are not automatically subject to the [\*French Language Services Act\*](#).

However, these agencies may ask to be officially designated, in which case Cabinet will enact a regulation to designate them as providers of services in French. Once designated, the agencies must provide French-language services just as the ministries do.

To date, [232 agencies](#) have agreed to provide some or all of their services in French.

To receive designation, an agency must meet the following conditions:

offer quality services in French on a permanent basis

guarantee access to its services in French

have francophones on its board of directors and in its executive

develop a written policy for services in French that is adopted by the board of directors and that sets out the agency's responsibilities with respect to services in French.

If your agency meets all of these criteria and you would like to receive recognition as an official provider of services in French, please contact the [French Language Services Coordinator](#) of the ministry to which you report.

## Ontario Francophones Get a Stronger Voice

### McGuinty Government Delivers Promise To Create New Advisory Committee

TORONTO - The Ontario government is giving Franco-Ontarians a stronger voice by creating the Provincial Advisory Committee on Francophone Affairs, Minister Responsible for Francophone Affairs Madeleine Meilleur, said today.

"By establishing this committee, we are fulfilling our commitment to consult Franco-Ontarians about government decisions that affect them," said Meilleur. "The committee will help me identify and act on the Francophone community's priorities in a timely manner."

The committee, composed of 12 individuals from across Ontario who have demonstrated a commitment to the French language and culture, is chaired by Donald Obonsawin. He spent 15 of his nearly 25 years in the public service as a deputy minister.

"I am very honoured to have been asked to chair this committee," said Donald Obonsawin. "The Franco-Ontarian community is a thriving community and I will do my best, with my colleagues' help, to ensure its priorities are dealt with effectively."

The committee will advise the minister on how to best meet the needs of Ontario's Francophone community.

"This committee will give French-speaking Ontarians the opportunity to provide input in the planning and development of French-language services," said Meilleur.
